In-Specie transfer to a Minerva SIPP or SIPP Lite plan

The Minerva SIPP is a registered pension scheme for the purpose of Part 4 of the Finance Act 2004 (formerly an approved personal pension scheme under Chapter IV of part XIV of ICTA 1988) under Pension Scheme Tax Reference 00605996RN. Note that SIPP Lite is a category of membership within the Minerva SIPP. InvestAcc is not an annuity provider, and the scheme does not provide benefits in the form of a scheme pension. We do not accept transfers from overseas pension schemes.

If there is insufficient space on this page to provide the required information, then please send extra pages or a letter confirming details. You should include all types of investment that you wish to be transferred on an in-specie basis, including funds, shares, bank accounts, properties, insurance policies, stockbroker accounts etc.

Note that you will need to approach the providers of the above investments to check that the assets are capable of in-specie transfer and to request the appropriate paperwork to re-register these investments.

If a property or land is to be transferred in-specie, please include details above and remember to also complete our *Property & Land Questionnaire for In-Specie Transfers*.

If you are in doubt as to how to complete this form, then please contact us or your financial adviser. Note that InvestAcc does not provide financial advice.

Note that the balance of the requested transfer would be made as cash, which would usually follow after the in-specie asset transfers have completed.

Remember that you must also complete an application to set up your new Minerva SIPP or SIPP Lite plan, if you have not already done so.

Investment Options

Have you taken regulated advice on the investments within your SIPP?

Yes No

If you have selected 'Yes' above, please move on to the following page.

If you have selected 'No' above, please continue below.

You have various options for choosing your investments. If you are not receiving regulated advice, we must present to you the following options for your consideration. Some of the options are only available if you transfer your SIPP away from us.

Options for choosing your investments without having received regulated advice:

- You may choose to remain in your current investments (such as those transferred in-specie).
- You may choose your own investments, from our permitted investment list (available on our website).
- You may choose a pathway investment (see below); this will require you to transfer your pension away from us.

What are pathway investments?

These are pre-prepared investment solutions, available from other providers, based on the following four options:

Option 1: I have no plans to touch my money in the next 5 years.

Option 2: I plan to use my money to set up a guaranteed income (annuity) within the next 5 years.

Option 3: I plan to start taking my money as a long-term income within the next 5 years.

Option 4: I plan to take out all my money within the next 5 years.

InvestAcc does not offer its own pathway investment service, so if you intend to access a pathway investment you will need to transfer your plan away from us. To find details of other providers and their pathway investments, you should consult the Money and Pensions Service Drawdown Comparator Tool, which is available here:

<https://www.moneyadvice.service.org.uk/en/tools/drawdown-investment-pathways>

I have read the above and understood my investment options and I wish to select the following option (please select one only):

- I will continue with my current investments*
- I will select new investments from InvestAcc's permitted investment list*
- A pathway investment from another pension company. I will approach the new company to arrange the transfer.

***Please note** - If you intend to hold a significant proportion of your SIPP funds in cash, or cash type investments, you should be aware that this can lead to poor outcomes in the long term. We recommend you seek financial advice or consider a pathway investment, particularly if the reason you are investing a significant proportion in cash is because you have not considered or understood the investment options available to you.

Transferring in order to take benefits

If you have confirmed that the reason you are transferring is to access your pension, we recommend that you seek advice from an authorised financial adviser prior to accessing your benefits. An adviser may be found on www.unbiased.co.uk which is a directory of authorised financial advisers from which you can select a firm local to you.

If you do not wish to appoint a financial adviser, we are required to inform you of the service offered by Pension Wise and refer you to their website www.moneyhelper.org.uk which provides further information.

We must advise that you seek guidance from the Pension Wise service before transferring to access your benefits and can offer you the following options to help you to access the Pension Wise service. We are able to book the appointment for you if you select the option below. You do not have to take the Pension Wise service to access your benefits however we are required to record your responses to the options offered as follows before we can permit access to benefits.

Member's declaration

I hereby consent to InvestAcc requesting the transfer of my entitlement to benefits from the above named scheme, and for InvestAcc to obtain relevant details from this scheme.

I understand any enhanced protection will be lost if the transfer is not a permitted transfer, as defined by legislation.

I understand that any entitlement to take lump sum rights in excess of 25% may only be retained on transfer provided the transfer is part of a block transfer as defined by legislation. However, I understand that if this lump sum figure is over £375,000 and I have enhanced or primary protection the lump sum on these certificates will take precedence.

I understand that any low retirement age may only be retained on transfer if it is part of a block transfer as defined by legislation.

I understand that InvestAcc will not pay any benefits or invest the funds that are transferred until all relevant transfer information has been received.

I understand that funds will be held in a designated bank account, in the absence of written investment instructions from me or my financial adviser.

I authorise, instruct and apply to the current provider to transfer sums and assets from the plan(s) as listed in the appropriate section of this application directly to the receiving scheme and to provide any instructions and/or discharge required by any relevant third party to do so.

I authorise InvestAcc, the current provider, any contributing employer, and any financial adviser named in this application to obtain from each other, and release to each other, any information that may be required to enable the transfer of sums and assets to the receiving scheme.

I accept that in order to comply with regulatory obligations, InvestAcc and the current provider named in this application may need to verify my identity and residential address and may use credit reference agency searches and ask for my documents to verify my identity and address.

Until this application is accepted and complete, InvestAcc's responsibility is limited to the return of the total payment(s) to the current provider(s).

When payment is made to the receiving scheme as instructed, this means that I shall no longer be entitled to receive pension benefits from the whole of the plan(s) listed in the appropriate section of this application where the whole of the plan(s) is transferring, or that part of the plan(s) represented by the payment(s) if only part of the plan(s) is transferring.

I accept responsibility in respect of any claims, losses, expenses, additional tax charges or any penalties that InvestAcc and the current provider may incur as a result of any incorrect, untrue, or misleading information in this application or given by me, or on my behalf, or of any failure on my part to comply with any aspect of this application.

I have read any information provided or made available to me by InvestAcc in connection with this transfer.
