Section B - Contributions

If regular contribution payments are to be made to your SIPP, please arrange a regular payment with your bank. **Please always quote your SIPP number as the payment reference.** Note that we do not offer a Direct Debit facility.

For Minerva SIPP or SIPP Lite schemes, payments should be made direct to your individual designated Metro Bank plc account (the unique account details should have been advised to you).

For Flexi SIPP schemes, payments should be made payable to the name of your Flexi SIPP scheme - do not use any other account details as your contribution will be rejected. If in doubt, contact us for details.

Where applicable, InvestAcc will reclaim tax relief at the relevant rate on personal contributions made before you reach age 75. Please note that the value of the tax reclaimed can only be invested once it has been received in your designated SIPP bank account. You can see details of how long it takes to get the tax relief here: www.investaccpensions.co.uk/tax-relief-calendar. If you are eligible for additional tax relief, for example at the higher rate, you must reclaim the extra amount yourself through your self-assessment tax return or by contacting HMRC directly.

The employer agrees to pay the above contributions until further notice, or until the end date where applicable, and will notify InvestAcc of any change and provide a new employer contributions form.

For example, a contribution deducted from pay on 8th June must be received by us no later than 19th July. InvestAcc has a duty to report the late payment of any contribution that is of material significance to The Pensions Regulator.

If you are paying personal contributions to your SIPP, do these instructions cover the tax relief too?

☐ Yes ☐ No (if 'no', the tax relief will remain in the designated SIPP bank account until otherwise instructed).

Important Note: Please remember to forward applications for any of the investments above. Note that we will automatically open a designated Bank Account with our preferred bankers and that all cash will be held in that account until we receive your investment instructions. Note that we will not chase any investment applications which you have said are 'To Follow'. If you require further space, please attach a separate sheet.

We may need to contact you to confirm the investment amount(s) as the value of funds being transferred to your SIPP can fluctuate and may be insufficient to cover the amounts noted above.

Section D - Adviser fee agreement

You should only complete this section if you have not already informed us of the amount of any adviser fees that you authorise us to pay your adviser from your SIPP funds for this new contribution.

Initial adviser fees

I instruct InvestAcc to pay the following fees to my financial adviser's firm, from my SIPP funds. I understand that this fee applies solely in respect of the advice given to me for this contribution.

Advice relating to this contribution	£	Fixed fee (for single or regular or contributions)	OR	%	of gross contribution (for single contribution)

Should VAT be added to the fees above?

☐ Yes ☐ No

On-going adviser fees

Any on-going fees will be paid at the level already agreed between me and my adviser. If the on-going fees I have already agreed are a percentage of my plan value, I understand that this contribution will increase the plan value, which will in turn increase the amount of any on-going fees paid to my adviser from my SIPP funds.

Section E - Personal declaration

- a) I confirm that to the best of my knowledge and belief, the particulars given on this application form are correct and complete.
- b) I undertake to tell InvestAcc Pension Administration Limited (InvestAcc) in writing within 30 working days if:
- There is any change in my residency status.
 - There is any change in my name or permanent residential address.
- c) Where contributions are to be paid into my SIPP, I confirm I am under age 75 and I am a relevant UK individual. An individual is a relevant UK individual for a tax year if:
- The individual has **relevant UK earnings** chargeable to income tax for that tax year, or
 - The individual is resident in the United Kingdom at some time during that tax year, or
 - The individual was resident in the UK at some time during the five tax years immediately before the tax year in question and was also resident in the UK when they joined the pension scheme, or
 - The individual has for that tax year general earnings from overseas Crown employment subject to UK tax (as defined by section 28 of the Income Tax (Earnings and Pensions) Act 2003), or
 - The individual is the spouse or civil partner of an individual who has for the tax year general earnings from overseas Crown employment subject to UK tax (as defined by section 28 of the Income Tax (Earnings and Pensions) Act 2003).

For relevant UK individuals who do not have relevant UK earnings, the maximum contribution is the 'basic amount' (currently £3,600). Relevant UK earnings means:

- Employment income such as salary, wages, bonus, overtime, commission providing it is chargeable to tax under Section 7(2) ITEPA 2003.
- Income chargeable under Part 2 ITTOIA 2005, that is income derived from the carrying on or exercise of a trade, profession or vocation (whether individually or as a partner acting personally in a partnership).
- Income arising from patent rights and treated as earned income under section 833 (5B) ICTA 1988.
- General earnings from an overseas Crown employment which are subject to tax in accordance with section 28 of ITEPA 2003.

Where relevant UK earnings are not taxable in the United Kingdom due to section 788 of ICTA 1988 (double taxation agreements), those earnings are not regarded as chargeable to income tax and so will not count towards the annual limit for relief.

- d) I understand that this application determines whether my contributions are eligible for tax relief at source at the relevant rate.

- e) I agree that the total contributions to any registered pension scheme in respect of which I am entitled to tax relief will not exceed the higher of:
- £3,600, or
 - My relevant UK earnings for that tax year.
- f) If I am no longer entitled to tax relief on my contributions, I will undertake to tell InvestAcc in writing no later than:
- 5 April in the year of assessment in which this occurs, or
 - Within 30 days of this change.
- g) I understand it is an offence to make false statements and that the penalties are severe and could lead to prosecution.
- h) I understand that contributions and any tax relief claimed upon them by InvestAcc, will be held in the designated SIPP bank account unless InvestAcc has been provided with written investment instructions from me or my financial adviser.
- i) I understand that these contributions may be held in a non-interest bearing pooled trustee account for expediency, where InvestAcc is aware of an impending investment transaction or benefit payment.
- j) I confirm that I have not been convicted of an offence involving dishonesty or deception. I am not an undischarged bankrupt. I have not made an arrangement with creditors which remains undischarged. I am not disqualified as a company director.
- k) I confirm that InvestAcc may correspond with my employer or third party, where I have indicated that contributions are being made by them.

Within this period, we will invest your funds in accordance with your instructions; however, should you exercise your right to cancel then you may not get back the full amount invested. Note that you cannot cancel your SIPP or any contributions made to it, after the 30-day period from when your SIPP commenced.

If your SIPP has been established for less than 30 days and you wish to waive your right to cancel and take your benefits and/or make commercial property or land investments immediately you can complete the following waiver:

My SIPP has been established for less than 30 days and I would like to waive my right to cancel.
