How do I open and manage my account?	• You can apply to open a Fixed Term Savings account for Pension Funds if you are 16 or over.																			
	• You will need another Metro Bank account (such as our SIPP/SSAS Account) as the interest on your Fixed Term Savings account for Pension Funds must be paid to a different Metro Bank account in the name of the pension scheme.																			
	• You can apply via your pension provider.																			
	• You must pay in one lump deposit of at least £10,000.																			
	• There is no maximum deposit for this account. Please contact us if your request is above £5m.																			
Can I withdraw money?	• You can manage your account through your pension provider.																			
	• You can close your Fixed Term Savings account for Pension Funds without loss of interest or penalty up to 30 calendar days after you open it.

	• Your Fixed Term Savings account for Pension Funds matures the day before the relevant anniversary date of your account opening and your deposit and any interest will be paid the next working day. For example, if you open a 3-year Fixed Term Savings Account for pension funds on 03 March 2025, your account will mature at close of business on 02 March 2028 and the deposit would be paid by close of business on 03 March 2028.

	• All interest on UK savings accounts will be paid without a deduction of tax. You may have to declare interest earned depending on your individual circumstances, for example if you exceed your annual Personal Savings Allowance - as set by HMRC.																			
	• We're unable to provide advice on your personal tax circumstances. If you're unsure about the tax implications, we recommend you seek independent financial advice from a suitably qualified advisor.
